

Circular Notice No.01/22

To All Visitors

CORONAVIRUS (COVID-19) – REINFORCEMENT OF PROTOCOLS

Trinidad and Tobago recorded its first cases of sub-variants Omicron BA.4 and BA.5 within the last two weeks from July 01, 2022. According to the Ministry of Health, these sub-variants are reported to be more infective as they are highly transmissible.

EMBD's COVID-19 Protocols will remain in effect for all Employees and Visitors at its Head Office and Coco Road Quarry operations.

We remind VISITORS to continue to practise:

- Proper hand hygiene;
- Physical distancing;
- Wearing of face masks; and
- Adhering to the recording of body temperature at our Security Checkpoints.

Your safety and health are of paramount importance to us, and we thank you for assisting us in the fight against the spread of COVID-19.
