To All EMBD Agricultural Leaseholders

Dear All,

Re: Non Acceptance of Rent Receipts issued at the District Revenue Office

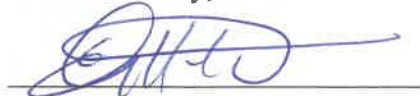

Please be advised that, effective immediately, the EMBD will no longer be accepting Agricultural Lease Rent Receipts paid to the District Revenue Office for 2-acre parcels falling within the seven (7) Agricultural estates under its purview.

All annual lease rent **MUST** be paid at **First Citizens Bank – Account No. 1830534**, unless otherwise advised.

Tenants making payments at the District Revenue Office will be responsible for their own reimbursement.

Please be guided.

Yours sincerely,
